Director's Note

Greetings!

Welcome to Ridge Community High School and our presentation of the Tony award winning musical, "HAIRSPRAY!" It is Spring of 1962 when we meet Tracy Turnblad, a young, energetic teenager who singlehandedly makes her mark on a segregated and highly racist Baltimore, MD. Beneath the turbulent time of the Civil Rights Movement, we watch our characters discover what it means to stand up for what is right, even if it means losing everything. Perhaps this is why this year's musical is such a great fit for our school.

Ridge Community's student body is one of the most diverse in Polk County, yet the most accepting and tolerant groups I have ever had the privilege of working with. It has been an honor to watch each of these students work together to tell this story of equality and tolerance. Whether you are a seasoned theatre goer, or this is your first time seeing this musical, our hope is that you will celebrate with us how far we have come as a nation and yet be challenged on areas we can improve. This is our story. This is our dream. America's belief in an equal, integrated family of all races, peoples and cultures. You really can't stop the beat...

Enjoy the show!

Cory S. Wilson

The Cast and Crew would like to extend a special thanks to our wonderful administration!
